

REMARKS/ARGUMENTS

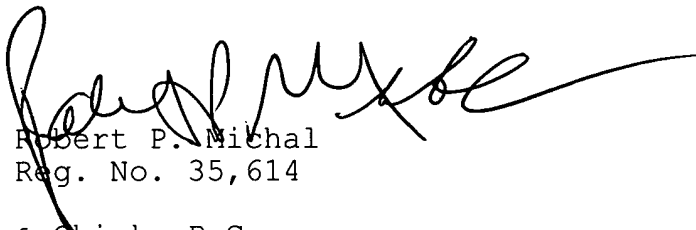

Preliminary to examination of the present application, Applicant respectfully requests entry of the amendments to the specification and claims.

The specification is amended to correct a grammatical error.

Claims 1-17 have been amended to remove reference numerals and multiple dependencies, to place the claims in better form for consideration by the Examiner, to be in better form for allowance, and to more clearly comply with the requirements of 35 USC 112. Claims 18-23 are added, and correspond to combinations of claims previously present in the multiple dependencies.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is respectfully invited to contact the undersigned at the telephone number listed below for prompt action.

Respectfully submitted,

Robert P. Michal
